Lyndi Young

St. George, Utah · lkyoung.10@gmail.com · linkedin.com/in/lyndi-young · lkyoung10-code.github.io/profile

Professional Summary

Educator and team leader with 15+ years of experience teaching, coaching, and supervising in online and in-person settings, now building technical skills in web development (HTML and CSS) and cybersecurity fundamentals. Experienced with learning management systems, student information systems, and Salesforce CRM. Skilled in clear communication, problem-solving, and creating workflows that help teams and customers succeed. Seeking to bring empathy, accountability, and a people-first approach to a role in tech.

Technical Training

- **Coding Certificate, Tech Moms (2025):** 9-week course covering HTML and CSS. Built a personal portfolio website as a final project.
- **Introduction to Cybersecurity, Cisco Networking Academy:** Self-paced course, in progress.
